

# MUSICAL THEATRE DANCE INTENSIVE

Do you act in your high school or summer theatre productions? Are you thinking about pursuing theatre in college and for a career? If so, this is the dance intensive for YOU!

This is a week long session for theatre students ages 12 and up concentrating on the steps and combinations you might see in a musical theatre audition. One hour each day will be spent on partnering, jazz, ballet and tap. You'll learn basic steps in each dance form and put them together to make combinations to songs from musical theatre productions. You'll learn how to catch on to choreography quickly to make a great impression in any audition!!! There are two sessions available.

Flat soled (clean bottoms please), jazz shoes and/or ballet slippers and tap shoes will be needed. (Call the office for recommendations). Enrollment will be strictly kept at 16 students each week—no exceptions. Cost is \$350 per session. A \$50 non refundable deposit will hold your spot.
