**Class Placement**

Class placement is determined by instructor and is based on the age and experience, as well as the ability and ambition of each dancer. We want to challenge our dancers so that they can improve, without overwhelming them with instruction beyond their level. Ages listed are guidelines. New students should call the office to arrange a trial class to ensure proper placement.

\*Ballet required  
 #Ballet and Jazz technique required  
 +Ballet and Tap technique required
